SAINT PATRICK'S IN ACTION

Identity:

SPiN ACTiON is our Parish Ministry open to everyone that is called to serve the local needy.

SPiN ACTiON consists of both youth and adults that help people grow in their commitment to service using the gifts that each one of us has received from God.

Mission:

Our mission is to provide St. Patrick's community with the opportunity to serve those in need and to hear the ways God has called us to live out the Gospel. Through action we seek to help the elderly, the poor, the weak, the lonely, the disabled, and those in our parish who need assistance.

OUR SITES

The Youth Outreach Program provides group activities for kids 8 -13 at the Whitin Community Center as well as the Rockdale Youth Center. From games to movies to arts & crafts projects or a theater production children can have a lot of fun in an environment that encourages sportsmanship, courtesy and respect.

Sunshine Haven, Inc.

"...never despise one of these little ones..." Matt 18:10

Sunshine Haven, Inc. is a group home facility, providing temporary or permanent care for special needs children who for varied reasons cannot remain at home. Respite care services, post-hospitalization and transitional services are also provided for families and their children. In-depth evaluation is made of each child referred to us to determine if Sunshine Haven can meet the needs of that individual child and to assess the impact of the child on the others at Sunshine Haven.

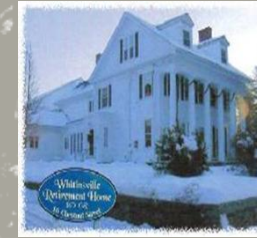

Through Alternatives, adults with psychiatric or developmental disabilities can find personalized services that address their needs for a home that is safe and comfortable, for meaningful daily occupations, for active community participation and for fulfilling relationships that nurture and support their recovery. We love volunteers at Alternatives. There is nothing that better demonstrates the community's support of our goals than people coming forward and unselfishly giving of their skills, their experience and their time.

Family owned and operated since 1952, we offer superlative services for those needing some help with daily activities at our four **Whitney Place Assisted Living Residences** locations, and post-acute, rehabilitative and skilled nursing care through our five **Beaumont Rehabilitation and Skilled Nursing Centers**. Whitney Place and Beaumont have become well known over time for compassionate care.

SALMON Health and Retirement also offers a complete continuum of care, from child care to retirement communities through VNA and Hospice services. Visit www.SalmonHealthAndRetirement.com.

Whitinsville Retirement Society provides the following services:
Continued Care Community and Senior Community.

St. Camillus Health Center

St. Camillus is a nonprofit organization providing services to the poor, the sick and the elderly with a sense of compassion and love. We offer hope and meaning to those who are suffering, comfort and security to those who are aging, and serenity to those who are dying; taking into account each person's innate dignity, unique needs and God given rights.

Rockdale Housing

offers federally subsidized apartments for income-qualified seniors and/or mobility impaired individuals. The community room provides space for weekly coffee socials, game playing, piano playing, group TV watching, and more.
